Foreword

Older Australians make a wonderful contribution to their communities and our nation has an obligation to respect their achievements for our country and ensure they always have available the support they need in their retirement years.

The Liberal and Nationals Federal Government has a comprehensive plan to benefit older Australians and to maintain and improve their standard of living.

- We have reduced deeming rates that govern how investments are deemed under the means testing rules for the pension, meaning that some pensioners will receive a higher age pension, while others will qualify for the first time.
- We have abolished the carbon tax, saving households an average of \$550 a year. But we have kept the carbon tax compensation scheme - including the energy supplement, the higher tax free thresholds and twice yearly pension and benefit increases – effectively providing a tax cut or pension increases without the burdens of the carbon tax.
- We have honoured our election promise to index eligibility thresholds for the Commonwealth Seniors Health Card, providing equitable access to free medications for more seniors, under the Pharmaceutical Benefits Scheme. In addition, since 1 January 2015, the time that Commonwealth Senior Health Card holders can spend overseas before having their card cancelled has increased from 6 to 19 weeks.
- Pensions will continue to be indexed every March and September and we are reforming income averaging for those pensioners who choose to undertake seasonal work.
- We are funding an expanded package of improved aged care, especially in the regions and increasing sub-acute care support for older Australians.
- We are investing \$200 million in dementia research.

This edition of the Age Pension Guide provides information on the latest terms and conditions that apply to the Age Pension. I hope you will find it helpful. Please call my office on **1300 301 968** for any further information you may require.

AGE PENSION

AGE PENSION RATES

QUESTION ***WHAT IS THE MAXIMUM RATE OF THE PENSION?***

ANSWER

	Per week	Per fortnight	Per year
Single Pensioner	\$394.20	\$788.40	\$20,498.40
Pensioner Couple (each person)	\$297.15	\$594.30	\$15,451.80
The above figures do not include the pension supplement – see pages 10 & 11.			

QUESTION ***HOW ARE AGE PENSION RATE INCREASES CALCULATED?***

ANSWER The Age Pension rate is calculated on the basis of rises in the Consumer Price Index, The Pensioner and Beneficiary Living Cost Index and the Male Total Average Weekly Earnings – whichever is the highest.

QUESTION ***WHEN WILL THE PENSION RATE NEXT INCREASE?***

ANSWER The next Pension rate review will occur in March 2016.

PENSION PAY DAY

QUESTION ***WHEN WILL MY PENSION BE PAID?***

ANSWER Pensioners are able to choose which weekday they are paid. Many pensioners are paid every second Thursday. Members of a couple are paid on the same day, unless special circumstances apply. If you would like to change your pay day, please contact Centrelink.

OVERSEAS TRAVEL

QUESTION ***IS MY PENSION AFFECTED IF I TRAVEL OVERSEAS?***

ANSWER Pensions and other similar payments may be affected by absence from Australia. Australian Government concession cards may be cancelled when the card holder leaves Australia for more than six weeks.

From 1 January 2015, the maximum time that holders of the Commonwealth Seniors Health Card (CSHC) can spend overseas without having to reapply for the card, has been extended from 6 weeks to 19 weeks. If you are planning to travel overseas, please contact Centrelink.

INCOME AND ASSET TESTS, TRANSITIONAL ARRANGEMENTS

INCOME TEST

QUESTION ***UNDER THE INCOME TEST, HOW MUCH EXTRA INCOME, AS WELL AS MY PENSION, CAN I RECEIVE BEFORE I LOSE MY PENSION?***

ANSWER

		Per fortnight	Per year
Pension starts reducing when your income is more than	SINGLE PENSIONER	\$162.00	\$4,212.00
	PENSIONER COUPLE (combined income)	\$288.00	\$7,488.00
Pension cuts out completely when your income is more than	SINGLE PENSIONER	\$1,896.00	\$49,296.00
	PENSIONER COUPLE (combined income)	\$2,902.00	\$75,452.00
These figures may be higher if you receive Rent Assistance with your payment.			

QUESTION ***WHAT HAPPENS IF MY INCOME IS GREATER THAN \$162.00 ALLOWABLE INCOME (\$288.00 FOR A PENSIONER COUPLE) IN ANY FORTNIGHT?***

ANSWER Income over these amounts reduces the rate of pension payable by 50 cents in the dollar for single pensioners and 25 cents in the dollar for each member of a couple.

WORK BONUS SCHEME

QUESTION ***WHAT IS THE WORK BONUS SCHEME?***

ANSWER The Work Bonus provides an incentive for pensioners over Age Pension age to participate in the workforce. Under the Work Bonus, the first \$250 of employment income earned per fortnight will be disregarded under the income test.

Any unused portion of the \$250 fortnightly exemption, up to a maximum of \$6,500, accrues in an Employment Income Concession Bank. This is used to offset future assessable employment income.

There is no need to apply for the scheme, but pensioners will need to inform Centrelink of their earnings.

TRANSITIONAL ARRANGEMENTS

QUESTION ***MY PENSION IS ASSESSED UNDER THE TRANSITIONAL ARRANGEMENTS. WHAT DOES THIS MEAN?***

ANSWER There are transitional arrangements to ensure that existing pensioners do not receive reduced pensions as a result of the changes to the Age Pension that occurred from 20 September 2009.

The transitional provisions allow for the assessment of Age Pension entitlements under the old and the new rules. When the new rules produce the same or a higher payment for a pensioner, their entitlement is assessed under the new rules immediately and permanently. If a pensioner is worse off under the new rules, they are paid a transitional rate.

New Age Pension recipients from 20 September 2009 are all assessed under the new rules.

QUESTION ***WHAT IS THE MAXIMUM RATE OF THE PENSION UNDER THE TRANSITIONAL ARRANGEMENTS?***

ANSWER

	Per week	Per fortnight	Per year
Single Pensioner	\$358.7	\$717.40	\$18,652.40
Pensioner Couple (each person)	\$289.70	\$579.40	\$15,064.40
The above figures do not include the pension supplement – see pages 10 & 11.			

QUESTION ***WHAT IS THE INCOME TEST FOR PENSIONERS UNDER THE TRANSITIONAL ARRANGEMENTS?***

ANSWER

		Per fortnight	Per year
Pension starts reducing when your income is more than	SINGLE PENSIONER	\$162.00	\$4,212.00
	PENSIONER COUPLE (combined income)	\$288.00	\$7,488.00
Pension cuts out completely when your income is more than	SINGLE PENSIONER	\$1,990.75	\$51,759.50
	PENSIONER COUPLE (combined income)	\$3,238.00	\$84,188.00
For transitional or saved cases, income over these amounts reduces the rate of pension payable by 40 cents in the dollar (single) and 20 cents in the dollar each (for couples). These figures may be higher if you receive Rent Assistance with your payment. Allowable income is increased by up to \$24.60 per fortnight for each dependant child.			

ASSETS TEST

QUESTION **WHICH ASSETS ARE INCLUDED IN THE ASSETS TEST?**

ANSWER All your belongings including your car and the contents of your home are counted, **except** items such as:

- Your home in which you live
- The proceeds from the sale of a previous home which will be applied within 12 months to the purchase of another home
- Donations for life-time accommodation with accepted organisations
- Special aids for disabilities
- Income stream products meeting all the criteria for the assets test exemption
- Awards for valour, such as medals received for war service
- Life interest (unless created by you, your partner or your partner's death)
- Funeral bonds up to \$12,250
- Any interest in a deceased person's estate which you have not yet received

QUESTION **I HAVE SOME ASSETS AND SOME INCOME. WHICH TEST WILL BE USED TO DETERMINE MY ELIGIBILITY FOR THE PENSION?**

ANSWER Your pension will be calculated separately under both the assets test and the income test. Whichever test gives the lower pension is used.

QUESTION **IF I DO OWN THE HOME IN WHICH I LIVE, WHAT VALUE OF ASSETS CAN I HAVE BEFORE MY PENSION IS AFFECTED?**

ANSWER

	Single Pensioner	Pensioner Couple (combined)
Pension starts reducing when you have assets worth more than...	\$205,500 [#]	\$291,500 [#]
Pension cuts out completely when you have assets worth more than...	\$783,500	\$1,163,000*

QUESTION ***IF I DO NOT OWN THE HOME IN WHICH I LIVE, WHAT VALUE OF ASSETS CAN I HAVE BEFORE MY PENSION IS AFFECTED?***

ANSWER

	Single Pensioner	Pensioner Couple (combined)
Pension starts reducing when you have assets worth more than...	\$354,500 [#]	\$440,500 [#]
Pension cuts out completely when you have assets worth more than...	\$932,500	\$1,312,000*

QUESTION ***WHAT IS THE ASSETS TEST FOR HOMEOWNERS UNDER THE TRANSITIONAL ARRANGEMENTS***

ANSWER

	Single Pensioner	Pensioner Couple (combined)
Pension starts reducing when you have assets worth more than...	\$205,500 [#]	\$291,500 [#]
Pension cuts out completely when you have assets worth more than...	\$693,250	\$1,078,500*

QUESTION ***WHAT IS THE ASSETS TEST FOR NON-HOMEOWNERS UNDER THE TRANSITIONAL ARRANGEMENTS***

ANSWER

	Single Pensioner	Pensioner Couple (combined)
Pension starts reducing when you have assets worth more than...	\$354,500 [#]	\$440,500 [#]
Pension cuts out completely when you have assets worth more than...	\$842,250*	\$1,227,500*

For above tables: there are no income or assets tests for permanently blind age pensioners; upper limits may be increased if rent assistance is paid with the pension.
[#] The pension is reduced by \$1.50 per fortnight for every \$1,000 above these amounts.
 * Higher for illness separated couple.

QUESTION ***IF I SELL MY ASSETS NOW I WILL SUFFER A CONSIDERABLE LOSS, AND I DON'T HAVE ANY INCOME.***

ANSWER Ask about the hardship provisions, or whether you can obtain the pension as a loan under the Pension Loan Scheme.

QUESTION ***DO RETIREMENT VILLAGE RESIDENTS RECEIVE AN EXTRA ASSETS TEST ALLOWANCE?***

ANSWER Retirement village residents are able to have extra allowable assets of \$146,500 for a single pensioner, or couple combined. If your village entry contribution is equal to or less than the extra allowable amount, you are assessed as a non-homeowner. Your entry contribution will count as an asset but it is not regarded as a financial investment under the income test deeming rules. You may also qualify for rent assistance.

Aged care accommodation bonds are exempt from the assets test entirely.

QUESTION ***HOW MUCH LAND AROUND MY HOME MAY I OWN WITHOUT AFFECTING MY PENSION?***

ANSWER Normally 2 hectares surrounding a pensioner's home is considered to be part of the home and not counted in the home owners' assets test. However, where a person has lived for 20 years on a farm and it would be unreasonable to sell or lease it, and where the pensioner is making effective use of the land to generate income, the entire value of the land on the same title as the home is exempt from the Age Pension assets test.

GIFTING

QUESTION ***CAN I GIVE PART OF MY ASSETS AWAY?***

ANSWER Yes, you can give away money and other assets to any value you choose. However, gifts which are of more value than the allowable gifting limit may affect the rate of pension or allowance you receive.

If you gift assets of more than \$10,000 in a single financial year, or more than \$30,000 in a five (financial) year rolling period, the amount gifted (above either of these two amounts) is added to the total value of your financial investments for five years. At the end of the five year period it is disregarded.

PENSION SUPPLEMENT

QUESTION *WHAT IS THE PENSION SUPPLEMENT?*

ANSWER The pension supplement is a payment which combines the former GST Supplement, Pharmaceutical Allowance, Telephone Allowance and the Utilities Allowance. The payment is made fortnightly with the regular Pension payment.

QUESTION *WHAT IS THE RATE OF THE PENSION SUPPLEMENT?*

ANSWER

	Per fortnight (basic rate)	Per fortnight (minimum)	Per fortnight (maximum)
Single Pensioner	\$22.50	\$34.60	\$64.50
Pensioner couple (each person)	\$18.60	\$26.10	\$48.60

QUESTION *WHO RECEIVES THE PENSION SUPPLEMENT?*

ANSWER The Pension Supplement is paid to those who receive the Age Pension, Carer Payment, Wife Pension, Widow B Pension, Bereavement Allowance, and Disability Support Pension (excluding those aged under 21 without children).

All other income support recipients who are over Age Pension age, also receive the Pension Supplement.

Pensioners receiving the transitional rate have the value of the Pension Supplement added to their transitional rate amount.

QUESTION *WHEN DO I RECEIVE THE PENSION SUPPLEMENT?*

ANSWER The Pension Supplement is included automatically as part of regular fortnightly income support payments. You do not need to apply for the Pension Supplement and it does not show as a separate amount.

You may elect to receive the 'minimum' amount on a quarterly, rather than fortnightly basis, even if you are entitled to more than the minimum Pension Supplement.

QUESTION ***IS THE PENSION SUPPLEMENT MEANS-TESTED?***

ANSWER Yes, the Pension Supplement is subject to the means test. If you are eligible to receive some income support payment, you will receive at least the minimum rate of the Pension Supplement. The amount you receive above the minimum rate is determined by the means test.

QUESTION ***WHAT ARE PENSIONERS PAID UNDER THE TRANSITIONAL ARRANGEMENTS ENTITLED TO?***

ANSWER Pensioners receiving the transitional rate have an amount equivalent to the Pension Supplement included in their pension. It does not show as a separate amount.

QUESTION ***DO THE MINIMUM AMOUNT RULES APPLY TO PENSIONERS PAID UNDER THE TRANSITIONAL ARRANGEMENTS?***

ANSWER Yes, pensioners benefiting from the transitional arrangements arising from the income test changes are subject to the 'minimum' amount rules so that the minimum amount is paid in full where a part-rate entitlement exists.

QUESTION ***I PREVIOUSLY RECEIVED TELEPHONE ALLOWANCE AT THE HIGHER RATE FOR MY INTERNET CONNECTION. WILL THIS BE REFLECTED IN MY PENSION SUPPLEMENT (OR TRANSITIONAL RATE)?***

ANSWER The rate of Pension Supplement (and the transitional rate) is based on the value of the higher (internet) rate of Telephone Allowance.

QUESTION ***IF I LEAVE AUSTRALIA, EITHER TEMPORARILY OR PERMANENTLY, WILL I BE ELIGIBLE FOR THE PENSION SUPPLEMENT?***

ANSWER You will be eligible for the Pension Supplement for up to six weeks if you depart Australia temporarily, as long as your primary income support payment remains payable. If you are still outside of Australia after six weeks, and you remain eligible for your income support payment, the Pension Supplement will reduce to the basic amount.

If you depart Australia permanently and your pension remains payable, you will receive the Pension Supplement basic amount.

CARBON TAX

QUESTION ***WILL THE CLEAN ENERGY SUPPLEMENT PAID TO PENSIONERS CONTINUE TO BE PAID, NOW THAT THE CARBON TAX IS GONE?***

ANSWER The Liberal and Nationals Federal Government has delivered on its election commitment to abolish the carbon tax, but is maintaining the associated compensation payments. This assistance includes the Energy Supplement (\$14.10 per fortnight for single Age Pensioners and \$10.60 each for a Pensioner couple). These rates vary for other benefits.

Commonwealth Seniors Health Card holders will receive an Energy Supplement of up to \$366.60 per year for singles and \$275.60 for each eligible member of a couple.

Changes to tax rates made by the previous governments have also been retained. Tax free thresholds were increased in 2012 to \$18,200 (\$19,400 in 2015-16) but the lower tax rates were increased from 15% to 19% and 30% to 32.5%. The low income tax rebate was also reduced.

CENTREPAY

QUESTION ***WHAT IS CENTREPAY?***

ANSWER Centrepay allows pensioners to have automatic deductions taken from their payments for rent, electricity, gas and rates. Centrepay arrangements are voluntary and free for pensioners.

Payments can only be made to organisations which have a contract with Centrelink. These organisations pay a small fee for the service. Call Centrelink for more information.

LOANS OR ADVANCES

QUESTION ***WHAT IF I NEED SOME CASH FOR AN URGENT EXPENSE?***

ANSWER You may be eligible for a pension advance payment. Repayments will start at the next payment date after the advance and are made fortnightly. You can also make extra repayments in cash.

Advance Amount	Single	Member of Couple
Minimum	\$409.15	\$308.40
Maximum	\$1,227.45	\$925.20

INCOME TAX, INVESTMENTS AND DEEMING

QUESTION ***HOW MUCH INCOME CAN I EARN, INCLUDING THE PENSION, BEFORE I START PAYING TAX?***

ANSWER The Senior Australians and Pensioners Tax Offset ensures that no tax is payable by a person whose assessable income consists of the full pension and, in some cases, a small amount of non-pension income. For 2014-15 the maximum tax offset available is \$2,230 for single senior Australians and \$1,602 for each member of a couple.

This measure allows single senior Australians to have an income of \$32,279 without paying tax. Senior couples are able to have income of up to \$28,974 each without paying tax. The tax offset cuts out at \$50,119 for a single pensioner and \$41,790 for each member of a couple (higher if living apart because of illness).

For the 2014-15 financial year, senior Australians will not pay a Medicare Levy until they reach an income of \$32,279 (singles) or \$57,948 (couples - combined income - although this may vary according to your circumstances). For more information call Medicare Australia – 13 20 11.

QUESTION: ***WHAT IS THE LOW INCOME TAX OFFSET?***

ANSWER The Low Income Tax Offset is available to all low income earners irrespective of their age. The low income offset is \$445. You will receive the full offset if your taxable income is below \$37,000. It is reduced by 1.5 cents for every dollar over that amount until your taxable income reaches \$66,667 when it cuts out completely. Any unused portions cannot be refunded.

QUESTION ***MY INCOME ALLOWS ME TO STILL RECEIVE THE FULL PENSION. DO I NEED TO COMPLETE A TAX RETURN?***

ANSWER Usually no. You should refer to the Taxpack or information provided by Centrelink which will advise you if you are required to lodge a tax return.

If you have paid tax during the last financial year, then you should lodge a tax return.

If this is the first time that you have not had to lodge a tax return then you should notify the Tax Office that you will not be lodging a tax return in future years. Complete a "Non Lodgement Advice" form located in the front of the Taxpack.

QUESTION ***DO I NEED TO GIVE MY TAX FILE NUMBER TO CENTRELINK OR THE DEPARTMENT OF VETERANS AFFAIRS?***

ANSWER In most circumstances, yes.

QUESTION ***SHOULD I GIVE MY BANK OR BUILDING SOCIETY MY TAX FILE NUMBER?***

ANSWER Generally no, but the law now requires it when opening new accounts and in some other circumstances. You do need to tell your bank or building society that you are receiving a pension. Otherwise, your interest will be taxed at the highest rate.

If you require further information on tax call the Australian Taxation Office on telephone 13 28 61.

INVESTMENTS AND DEEMING

QUESTION ***WHAT IS DEEMING?***

ANSWER “Deeming” is where your money is assumed by Centrelink to be earning a set rate of interest per annum. This assumed earning is the figure counted as income on investments for the Pension income test (page 5 or 7 depending on your circumstances) even if your investments have not actually earned this amount or are earning more than this amount.

QUESTION ***WHAT ASSETS ARE DEEMED?***

ANSWER Funds deposited in bank, building society and credit union accounts, as well as:

- Cash
- Term deposits and debentures
- Friendly society bonds
- Managed investments
- Assets in superannuation and rollover funds held by anyone of Age Pension age
- Listed shares and securities
- Short term asset tested income streams
- Loans, including those to family trusts and companies
- Shares in unlisted public companies
- Gold and other bullion
- Gifts of money or assets of more than \$10,000 per financial year or greater than \$30,000 over five financial years.

QUESTION *WHAT INVESTMENTS ARE NOT DEEMED?*

ANSWER A person's home or its contents, as well as:

- Cars, boats and caravans
- Antiques, stamp or coin collections
- Accommodation bonds in aged care homes
- Assets in superannuation and rollover funds held by anyone under Age Pension age
- Standard life insurance policies
- Holiday homes, farms or other real estate
- Income streams other than asset tested income streams (short term).

QUESTION *WHAT IS THE RATE WHICH FINANCIAL INVESTMENTS ARE DEEMED TO EARN?*

ANSWER

Single Pensioner	FIRST \$48,600 OVER \$48,600	1.75% 3.25%
Pensioner Couple (combined) (both receiving a pension or one person receiving the pension and the other receiving a living allowance)	FIRST \$80,600 OVER \$80,600	1.75% 3.25%
These rates are subject to regular review, especially when interest rates change.		

QUESTION *IF MY ONLY SOURCE OF INCOME IS FROM FINANCIAL INVESTMENTS, HOW MUCH CAN I HAVE INVESTED BEFORE I START LOSING SOME OF MY PENSION UNDER THE INCOME TEST OR THE "DEEMING" PROVISIONS?*

ANSWER

Single Pensioner	\$151,600
Pensioner Couple (combined investment)	\$267,600
These figures are based on deeming rates mentioned previously and apply only if you have no other income. Rates will also change if you have dependent children.	

QUESTION *CAN I STILL GET A PARTIAL PENSION IF MY INVESTMENTS ARE IN EXCESS OF THOSE MENTIONED?*

ANSWER Yes, until either the income or assets test limits are reached.

PENSION AGE

QUESTION ***FROM WHAT AGE CAN I RECEIVE THE AGE PENSION?***

ANSWER Men and women are eligible from age 65 years.

QUESTION ***I HAVE HEARD THAT THE ELIGIBILITY AGE FOR THE AGE PENSION WILL INCREASE, WILL THIS AFFECT ME?***

ANSWER Changes to the qualifying age for the Age Pension will begin from 1 July 2017. From this time, the qualifying age for the Age Pension will gradually increase from 65 to 67 years for both men and women.

The gradual increase means that the eligibility age for the Age Pension will be 67 years from 1 July 2023. Everyone born after 1 July 1952 will be affected by the transition to the new qualifying age.

Date of change	Date of birth between	Qualifying age for Age Pension (years)
1 July 2017	1 July 1952 to 31 December 1953	65 years and 6 months
1 July 2019	1 January 1954 to 30 June 1955	66 years
1 July 2021	1 July 1955 to 31 December 1956	66 years and 6 months
1 July 2023	1 January 1957 and later	67 years

PENSION BONUS SCHEME

QUESTION *WHAT IS THE PENSION BONUS SCHEME?*

ANSWER The Pension Bonus Scheme was intended to reward older Australians who continued to work past Age Pension or Service Pension Age, rather than retiring and claiming a pension.

The Scheme provides a tax free lump sum to eligible registered people who defer claiming the Age Pension or Service Pension and continue to work. The bonus is available when people retire, but they must be registered in the Scheme for a minimum of one year and must claim and receive the Age Pension. The scheme is entirely voluntary. To achieve a bonus the person must work at least 960 hours each year they defer their pension.

The former Government closed the scheme in its 2009/10 Budget, so no new applications are being accepted. Those who had already registered for the Pension Bonus will remain eligible.

QUESTION *WHAT WOULD THE BONUS BE WORTH AT SEPTEMBER 2015 PENSION RATES FOR A PERSON WHO WOULD QUALIFY FOR THE MAXIMUM RATE OF PENSION?*

ANSWER

Number of extra years of work	Single person	Partnered person (each)
1 Year	\$1,981.80	\$1,497.90
2 Years	\$7,927.40	\$5,991.70
3 Years	\$17,836.60	\$13,481.30
4 Years	\$31,709.40	\$23,966.80
5 Years	\$49,546.00	\$37,448.20

QUESTION *WHAT IS THE PENSION BONUS BEREAVEMENT PAYMENT?*

ANSWER This is a payment to the surviving partner of a deceased member of the Pension Bonus Scheme who did not make a claim for the bonus prior to their death. It reflects the amount of pension bonus that might have been paid if the person claimed before death. It is paid as a tax free lump sum. For further information call 132 300.

RENT ASSISTANCE

QUESTION ***HOW MUCH ASSISTANCE CAN I GET TO HELP PAY MY RENT OR LODGINGS?***

ANSWER Before Rent Assistance becomes payable, a minimum amount of rent (rent threshold) must be paid. Rent Assistance is then paid at 75 cents for every dollar of rent paid above the rent threshold, up to a maximum rate.

	Single Pensioner (\$ per fortnight)	Pensioner Couple (combined, \$ per fortnight)
Maximum Rent Assistance	\$129.40	\$121.80
Minimum rent before Rent Assistance is paid...	\$115.00	\$186.80
Maximum Rent Assistance is paid when rent is more than...	\$287.53	\$349.20

QUESTION ***WHAT IF MY PENSION IS CALCULATED UNDER THE ASSETS TEST. WOULD I BE ENTITLED TO RENT ASSISTANCE?***

ANSWER Yes.

Rent Assistance is not paid to people paying rent to a State Government housing authority. Rent Assistance is also not paid to people in Commonwealth funded nursing homes and hostels. Rates vary if pensioners have dependent children. Special rules apply to single sharers, people who pay board and lodging or who live in a retirement village.

OTHER SUPPLEMENTS, PAYMENTS AND ALLOWANCES

CARER PAYMENT

QUESTION *WHAT IS THE CARER PAYMENT?*

ANSWER Carer Payment may be paid to someone providing constant care to a person with severe physical, intellectual or psychiatric disability. The person being cared for must need the care permanently, or for a fixed period. The care should be provided in the person's home, but it is not necessary for the carer and the person being cared for to live in the same home.

Carer Payment is paid at the same rate as the Age Pension and is subject to the same income and assets tests. A person cannot receive carer payment at the same time as another income support payment such as Age Pension, but in such cases he or she may be eligible for other payments such as Carer Allowance.

Carers can interrupt providing constant care for 25 hours per week to work, train or study without losing eligibility for Carer Payment. They may also continue to be paid during up to 63 days of respite.

CARER ALLOWANCE

QUESTION *WHAT IS THE CARER ALLOWANCE?*

ANSWER Carer Allowance is a payment made to someone who cares for a person who is frail, aged or who has a disability, or is chronically ill, and who requires a lot of additional care because of their disability.

The person being cared for must need care permanently or for an extended period, but the carer and the person being cared for do not have to live in the same home.

Carer Allowance, currently \$121.70 per fortnight, is not subject to an income or assets test. Carer Allowance can be paid in addition to an income support payment such as Age Pension. An additional annual payment of \$1,000 (Child Disability Assistance Payment) is available to a person receiving Carer Allowance for each child under 16 years of age being cared for. This payment is made on 1 July each year.

CARER SUPPLEMENT

QUESTION *WHAT IS THE CARER SUPPLEMENT?*

ANSWER Carer Supplement is a payment that is made to all eligible recipients of the Carer Payment, Carer Allowance, Wife Pension with Carer Allowance, Department of Veterans' Affairs Partner Service Pension and Department of Veterans' Affairs Carer Service pension. It replaces the previous one off carer bonuses.

Up to \$600 Carer Supplement will be paid to recipients of Carer Allowance for each person being cared for.

An additional \$600 Carer Supplement may also be paid where a recipient is also in receipt of one of the above Centrelink or Service Pensions.

PARTNER ALLOWANCE

QUESTION *WHAT IS THE PARTNER ALLOWANCE?*

ANSWER This payment has been for partners of people who receive income support payments and who face barriers to finding employment because of their previous limited participation in the workforce. Partner Allowance recipients have access, on a voluntary basis, to all levels of employment assistance within the job network.

People receiving Partner Allowance are also offered help from a personal adviser to plan for their future. Telephone Centrelink on 13 27 17 if you wish to contact a personal adviser.

QUESTION *WHO CAN RECEIVE PARTNER ALLOWANCE?*

ANSWER No new claims for the Partner Allowance are being accepted but you will continue to receive this payment if you were already receiving it as of 19 September 2003.

CARE FOR THE ELDERLY

AGED CARE ASSISTANCE

QUESTION ***I AM GETTING FRAIL AND NEED TO GO INTO AN AGED PERSONS HOME. WHAT SHOULD I DO?***

ANSWER Before you can enter an aged care facility, your needs must be assessed by an Aged Care Assessment Team.

QUESTION ***HOW DO I CONTACT AN AGED CARE ASSESSMENT TEAM?***

ANSWER Your local doctor will tell you how to contact the closest team. Referral can be through community nurses, your doctor, from hospitals or yourself. You may contact My Aged Care directly on 1800 200 422 or through the website www.myagedcare.gov.au.

QUESTION ***WHAT WILL I NEED TO PAY ON ENTRANCE TO A RESIDENTIAL AGED CARE FACILITY?***

ANSWER The Australian Government pays for the bulk of aged care in Australia, however you may be asked to pay towards your care, accommodation and daily living costs. How much you pay will depend on your financial situation - although the Government has rules that limit how much you can be asked to pay towards your accommodation.

Centrelink will undertake a means test covering both income and assets to determine your contribution for your care and accommodation.

QUESTION ***WHAT WILL IT COST ME TO LIVE IN AN AGED CARE FACILITY?***

ANSWER How much you pay will depend upon which facility you move into, how much income you have, the value of your assets and the type of services you receive.

A Residential Care Fee Estimator is available on the My Aged Care website at: www.myagedcare.gov.au/fee-estimator/residential-care.

Alternatively you may wish to contact My Aged Care by phone on 1800 200 422.

AGED CARE ASSISTANCE

QUESTION ***IS THERE ANY HELP TO ENABLE ME TO LIVE AT HOME FOR AS LONG AS POSSIBLE?***

ANSWER There are many home and community based services which will help you remain independent. The Federal Government has established Carelink centres and the My Aged Care website, which maintain up to date databases of information about a range of agencies providing community care, support, health and aged services in the region, through Home Care Packages. See page 24 for details.

QUESTION ***CAN A CARER GET ANY FINANCIAL ASSISTANCE TO HELP CARE FOR ME AT HOME?***

VACCINATIONS FOR SENIORS

Flu is caused by a virus which is passed from person to person by coughing or sneezing or direct contact. It can lead to illness more severe than that caused by other respiratory viruses, such as the common cold. Some people, especially those over 65 years and those with chronic medical conditions, can suffer complications from the flu.

The flu vaccine is a very important way to help protect you from the influenza virus. The best time to be vaccinated is Autumn, before the outbreak of the flu in Winter. The vaccine is free for people who are over 65 and is available from your medical practitioner or through your local health centre.

The Australian Government also provides free pneumococcal vaccinations for seniors.
